Kent said that he will keep the Director and DDCI posted on any comments the State Department might have on the Horn of Africa Estimate, which is before USIB this week.

K1 [] thought that the Director would probably wish to advise USIB on his agreement with Secretary Vance on the handling of four of the "twenty questions" since this involves USIB assets. Bross said that he sent copies to General Carroll and others in the Pentagon of the Director's letter to Secretary Vance. DDCI suggested [] prepare a paper for the Director in case he wishes to alert USIB.
